Dear Ms. Griggs:

It is a pleasure for me to express appreciation to you for having been an exhibitor during our 97th Annual Convention Commerce and Industry Show in Washington, D.C., July 15 – 18, 2006.

We value your support and participation as the NAACP works to assure full rights and equal opportunities for all of our citizens. Cooperatively addressing shared concerns contributed significantly to the effective implementation of our vital programs.

The success of our 97th Annual Convention was due in large measure to the support provided by Parents and Friends of Ex-Gays + Gays. We were gratified by the enthusiasm and avid participation of our delegates, members and friends from across the nation who expressed many favorable comments about our convention. The additional audiences we reached through our web cast are also aware of your involvement as a contributor to our historic 97th Annual Convention.

We invite you to join us again next year when we gather in Detroit, Michigan for our 98th Annual Convention, July 7 – 12, 2007. Accordingly, under separate cover you will be hearing directly from our Events Planning Director, Ana Aponte-Curtis, who will provide pertinent information about our plans, programs, sponsorship and exhibiting opportunities. We hope that you will decide to become or renew your sponsorship as we begin to plan for our 98th Annual Convention.

Again, I wish to reiterate our gratitude for your participation and generosity.

Warm Regards,

Bruce S. Gordon
